

silentPOWER ENG 1

DYNAMIC • SILENT • ACCURATE

The **silentPOWER ENG1** is a **high-performance 1KW 48V power supply** designed specifically for the **FrameACE DD110** robotic camera head. Engineered for **both field and fixed installations**, it delivers **reliable, efficient power** in even the most demanding environments.

With a **fully passive cooling system**, the **silentPOWER ENG1** operates **silently**, ensuring **zero noise interference** in **broadcast, live production, and studio environments**. The **rugged, milled aluminum housing** enhances durability, making it ideal for **outdoor and on-location setups**.

For **maximum flexibility**, the **silentPOWER ENG1** offers **versatile mounting options** — it can be **secured to 50mm tubing, strapped, or mounted using custom configurations**, ensuring seamless integration into various production setups.

Built for **performance, reliability, and silent operation**, the **silentPOWER ENG1** is the **ultimate power solution** for **FrameACE DD110** users requiring **stable and noise-free power delivery in any environment**.

Dimensions W x D x H:

170 mm (6.7") x 310 mm (12.2") x 56 mm (2.2")

Gross Weight:

Approx. 1.4 kg (3 lbs)

Environmental:

Operating Temperature Range:

0°C - 40°C (32°F - 104°F)

Operating Relative Humidity Range:

8% - 90% (non-condensing)

Power requirements:

90~264 VAC 47 ~ 63Hz
Power 1000 W (Peak)

ORDERING INFORMATION

silentPOWER ENG1:
SKU: 4010-160-10020

SUPPORT & WARRANTY

Standard Warranty:

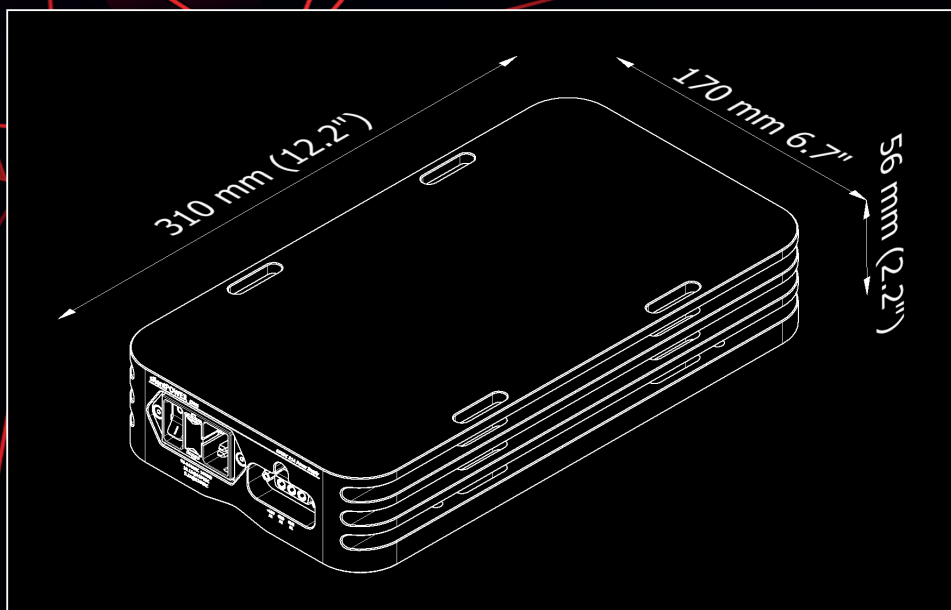

1 years hardware warranty

Extended Support:

Available upon request

Software Updates:

Free updates for the first year

All specifications are subject to change at any time without notice.
